This workshop provided to you at no cost through a grant provided by OCS

THANK YOU PRESENTERS

What You Will Learn
This workshop will present in depth information on water system operations and maintenance. Including valve and hydrant O&M, and detailed operation and maintenance of pressure reducing valves.

The Midwest Assistance Program offers a wide variety of training - one-on-one or classroom style.

Check our website for a list of upcoming events or call me to request a training in your area.
