

Strategies in Sustaining Water Infrastructure

May 16th 2019 | 1:00 - 5:15 PM

**Blackfeet Community College
Yellow Bird Woman Lodge #135
504 SE Boundary Street
Browning, MT**

Asset Management is a strategy to move from reactive to proactive utility management. Learn how you can start an Asset Management Plan to help your system sustainably meet public health and compliance needs.

AGENDA

- | | |
|-------------------|---|
| 1:00 PM - 1:15 PM | Introductions and Pre-Test |
| 1:15 PM - 2:00 PM | Overview of Asset Management |
| 2:00 PM - 4:45 PM | Making a Plan: <ul style="list-style-type: none">- What is the current status of your assets?- What is your required Level of Service?- What are your minimum Life Cycle Costs?- What is your best long-term funding strategy? |
