Wednesday, January 4, 2023 • 9:00 AM – 3:30 PM

Dexter City Hall
113 Main St.
Dexter, KS 67038

9:00	Welcome and SDWA Workshop Introduction
9:15	Controlling Lead & Copper in Drinking Water
10:15	Break
10:30	Controlling Lead & Copper in Drinking Water (continued)
12:00	Lunch (on your own)
12:45	Main Breaks and Cross Connection
1:45	Break
2:00	Distribution System Infrastructure & Water Quality
3:00	Questions/Wrap-up/Announcements
3:30	Adjourn

Training Class Instructors:

Shelly Underwood – *KS Midwest Assistance Program*

This training will include LCR & LCRR updates and compliance requirements, including materials evaluations, conducting a Lead Service Line Inventory, identifying sampling locations and plans, and certification on deliveries. Other areas of instruction will include Main Breaks and Cross Connection threats, providing a better understanding as to how these events can compromise water quality within your distribution system.

This training is provided by the Midwest Assistance Program, Inc. at NO COST!

OUR MISSION: Midwest Assistance Program, Inc. is dedicated to helping rural communities and tribal nations improve their environment, quality of life and achieve self-sustainability.

5 CEU'S AVAILABLE FOR OPERATORS THAT WOULD LIKE TO TAKE ADVANTAGE OF THIS LEARNING OPPORTUNITY.
