Meet the Trainer!
Marty Ostransky

Marty has four years of experience as a Water & Wastewater Operator for the Village of Cody in Nebraska. He possesses licensing in Grade 2 Water, Grade 6 Backflow and Grade 1 Wastewater.

Recertification includes classroom study and hands-on review of the backflow field. Course meets the requirements set by the Nebraska Department of Health and Human Services Regulations and Licensure for receiving CEUs towards recertification. Credit Hours: Grade 6=5 hours; Grades 1-4=5 hours; NDEQ WW=5.75 hours.

This training is meant for water/wastewater operators, plumbers or any individual dedicated to the water industry and who would like to further their knowledge on backflow and cross connection related issues.
