These workshops are supported by a contract through Region 8 EPA

What You Will Learn

This training will discuss emergency preparedness, how to develop an effective emergency response plan, and cybersecurity for public utilities. It will also include an interactive table-top exercise where participants will react to an emergency scenario they are given.

MAP is an equal opportunity provider and employer and does not discriminate against qualified individuals with disabilities. We offer a wide variety of training one on one or class room style.
Check our website for a list of upcoming events or call our office to request a training in your area.
