

Onsite Operations and Maintenance Training

February 23, 2022 | 8am-12pm

Colstrip City Hall
12 Cherry Street
Colstrip, MT

This training is designed for operators and operators-in-training of small water systems. It will include a classroom component and a tour of the Colstrip water system.

AGENDA

8:00AM - 8:20 AM	Introductions and Pre-Test
8:20AM - 10:00 AM	Understanding your system and how to maintain compliance
10:00AM - 11:45 AM	Operation and maintenance to retain compliance
11:45AM - 12:30 PM	Wrap-up and Post-Test

Note: agenda topics are not bound to specific time constraints to allow for discussion as needed.
